

NEW - 100% RECYCLABLE FABRIC

Sheerweave Infinity2™

SheerWeave Infinity2™ sustainable sun control fabrics are eco-friendly full basketweaves designed to meet the most stringent environmental design standards. With 100% recycled content, 100% recyclable, and a PVC-free composition, Infinity2 fabrics offer the same solar heat and glare control properties as traditional SheerWeave fabrics for conserving energy, harnessing natural light and maintaining interior comfort levels.

The Next Generation of Sustainable Fabric
